Patient Portal Form

In order to provide you with the best possible care that we are able, we ask that you provide Karle Medical Group with your email so that we can send you a registration invitation for our patient portal. Why should you consider the patient portal?

WHAT IS IT?

The patient portal is an online tool that provides anywhere, anytime access to your personal health records, and enables you to take a proactive role in managing your care.

WHY SHOULD PATIENTS USE IT?

With the portal patients can:

- Review their medical records online in a safe, secure environment
- Communicate privately with physicians via secure messaging
- View test and lab results, read medical notes from their doctor
- Update health information (allergies, medications, conditions, etc.)
- Request Rx refills
- Request or change appointments
- Fill out and submit forms prior to appointments
- View and pay bills
